

X-Ray Services direct to your home. St Michael's Mobile X-Ray

During the COVID 19 pandemic, everyone, particularly seniors, are being advised to stay in the safety of their own home.

If you or someone you now needs x-ray service, St. Michael's Mobile X-ray is currently available in Edmonton, Calgary, Red Deer, Sylvan Lake and surrounding areas. Please call 780-472-4504 to find out if your location is serviced by St. Michael's.

Why use St. Michael's Mobile X-Ray Services?

- Comfort and Safety - stay safe in the comfort of your own home
- Transportation hurdles may prevent you from easily going to a clinic
- Limited clinic services - clinic services are reduced during the COVID 19 pandemic
- Easy access - if you have a wheelchair accessible residence, we can bring the unit in

How it works:

- Requisition: Receive an x-ray requisition from your medical doctor or nurse practitioner, or have them send it to us directly
- Once you have a confirmed requisition, call 780-472-4504. We will explain the cost and process
- If you have a nurse assisting you, they can submit the requisition on your behalf

For more information go to
